Printed in the United States of America.

This is an index of the dances for which I have notes.

Abbreviations used in this book:

* = apostrophe

CF A = all information on this entry filed under A

SEE ALSO A = more information on this entry filed under A

REF TO A = reference to A filed under this entry

.TO A/B = music for this entry is A or B

.TO OR = music for this entry is original tune or of the same name

- A/B = source for this entry is A as learned from B

A (B) = sometimes listed as A, sometimes as AB

A, B = AB

A, B = B A

Note that the articles a(n), the, der, die, das, d', el, la(s), le(s), l', den, het, and probably others are not considered in this method of alphabetization.

Where practical, dances have been listed with their generic group.

Country dance abbreviations:

R = reel

S = strathspey

J = jig

HP = hornpipe

QS = quickstep

WTSTB = The Wind That Shakes The Barley

Scottish Country Dances:

name=alternate name.# of phrases for a couple to dance each part X length
of a phrase(names of tunes) - source

Israeli Dances

name=alternate name - choreographer,composer,lyricist

Questions, suggestions, corrections, and additions will be most welcome.
Documented remarks will, of course, be given preference over anecdotes;
both are welcome.
